Mayor to Host Community Meetings Beginning November 1

Meetings will be held in each ward from November 1 to December 5. Upcoming projects will be discussed and questions will be answered.

Please see the following message from Mayor Steven Fulop, particularly the information about the 2020 Census. The Census will be crucial in determining the City's future block grant allocations and which areas Community Development will prioritize serving.

-DCD

Mayor Fulop invites all residents and stakeholders to attend future community meetings being held in every ward in the upcoming months. We will update you on great initiatives that are currently underway along with what's ahead in your communities. Your involvement in these community meetings is crucial, as it is a key way for us to incorporate your feedback on these initiatives as we move forward. If you can't make the meeting in your ward, please feel free to come to the next one.
